Dr. N.S. Narayanaswamy
Professor

June 2022

TO WHOMSOEVER IT MAY CONCERN

This is to state that **Soham Roy (EE20B130)** has done his internship in Software Development under my supervision at the **Department of Computer Science and Engineering, Indian Institute Of Technology, Madras** from 1-November-2021 to 20-May-2022.

He has worked on the algorithm and software development for efficient container packing in the Logistics domain. This work was a part of the software developed for providing optimal fleet management and routing for the logistics operations. During the internship he demonstrated good programming skills with a self-motivated attitude to learn new things. His performance was satisfactory and he was able to complete the project successfully on time.

We wish him all the best for his future endeavors.
